I-405 CLOSURES SCHEDULED IN CULVER CITY

CULVER CITY – The California Department of Transportation (Caltrans) will close the westbound Marina Freeway (Route 90) connector to the northbound San Diego Freeway (I-405) daily, from 10 a.m. to 3 p.m., beginning Monday, March 26 through Friday, March 30.

This closure will be repeated daily from Monday, April 2 through Friday, April 6, from 10 a.m. to 4 p.m.

Detours will be signed.

The closure is in connection to the \$167 million High Occupancy Vehicle (HOV) project on I-405 from Route 90 to I-10. The project is expected to complete late 2008. It is an extension of the just-completed HOV lane project on I-405 from the Century Freeway (Route 105) to Route 90.
